FOREWORD

Worldwide Manpower Distribution by Geographical Area is published quarterly and contains summary data on the worldwide distribution of Department of Defense (DoD) active duty military and civilian personnel and their dependents by country and DoD Component.

INTERNET AVAILABILITY

Selected tables presented in this publication are available through DefenseLINK or directly through the DIOR World Wide Web site (<http://web1.whs.osd.mil/mmids/mmids.htm>). Yearly tables of Active Duty Military Personnel Strengths by Regional Area and by Country (309A) are now available back to 1977.

IMPORTANT INFORMATION CONCERNING THE MARCH 31, 1997 EDITION OF THIS PUBLICATION AND FUTURE ISSUES

- Current Navy data for dependents of military and civilian personnel are not available. Navy dependents data used in this edition are based on that used for the prior quarter.
- Department of Defense Education Activity data for dependents of civilians are from a new reporting system, which includes only those dependents receiving living quarters allowances.
- The following options related to dependents data are under consideration for fiscal year 1998 reports:
 - Reporting updated dependent strengths on a semi-annual basis only; and
 - Dropping the requirement for reporting non-command sponsored military dependents (currently 0.7% of total military dependents).

Your comments concerning these options are encouraged.

GLOSSARY OF TERMS

Active Duty. Full-time duty in the active service of a uniformed service, including duty on the active list, full-time training duty, annual training duty, and attendance while in the active service at a school designated as a service school, or by law, or by the Secretary concerned.

Civil Functions. Functions primarily associated with the civil works program of the Army Corps of Engineers. This program encompasses planning, programming, designing, constructing, and operating Federal water resource projects for navigation, flood control, hydroelectric power, water supply, recreation, and related activities. Civil functions also includes cemetery workers (Army) and a conservation management employee (Air Force).

Civilian Dependent Exclusion. Excluded from counts of dependents of civilian employees are dependents in the Continental United States and dependents of civilians working in Alaska, Hawaii, and the U. S. Territories.

Command Sponsored (CS) Military Dependent. A dependent of a Service member residing with the Service member at his or her duty station, where an accompanied tour is authorized, and the dependent meets the following conditions: 1) entitled to government funded travel to and from the duty station incident to the Service member's permanent change of station (PCS) travel; 2) is authorized by the appropriate authority to be at the Service member's duty station; and 3) his/her presence entitles the Service member to a "with dependents" rate for station allowance. The formal definition applies only to dependents outside the Continental United States. For this publication, all military dependents in the Continental United States are shown as Command Sponsored.

Continental United States. Unless otherwise qualified, means the 48 contiguous states and the District of Columbia.

Direct Hire Civilians. Employees hired directly by an agency of the Department of Defense (DoD). Included are Direct Hire Foreign Nationals, who are hired by the Department of Defense to support DoD activities in their home countries or non-citizens in the United States. Counts of employees in special employment categories, that were excluded from previously enforced Presidential ceiling controls, are not included in this publication.

Indirect Hire Civilians. Foreign Nationals assigned to support U.S. forces through contracts or agreements with foreign governments (or agencies thereof). These personnel are employees of the foreign governments involved.

Military Afloat. Navy and Marine Corps military personnel aboard ship. Also includes Navy and Marine Corps military personnel who are assigned to afloat and mobile units, such as aircraft squadrons, construction battalions, and fleet and air command staffs, and who are aboard ship.

Military Functions. Activities normally associated with the Uniformed Services.

Military Temporarily Shore-Based. Navy and Marine Corps military personnel assigned to afloat and mobile units, such as aircraft squadrons, construction battalions, and fleet and air command staffs, and who are temporarily based ashore for a period that will exceed 30 days. (For this publication, temporarily shore-based personnel are included with military ashore).

Non-Command Sponsored (NCS) Military Dependent. A dependent of a Service member residing with the Service member at his or her duty station outside the Continental United States, where government funded travel to and from the duty station in conjunction with the Service member's PCS travel is not authorized and the dependent's presence does not entitle the Service member to the "with dependents" rate for station allowance.
